**The Music Rebellion Promise**

The policy of Music Rebellion is to protect the privacy of Music Rebellion members. Music Rebellion will not use disclose information that identifies a specific member unless the member gives permission, the member requests products that require identifying information for fulfillment, or we are required to do so by law or regulatory authority. Please be aware, however, that as a condition of membership and use of the Music Rebellion Service Music Rebellion requires members to select areas of interest and thereby agree to receive marketing materials from Music Rebellion or third parties related to those interests. Members may choose at any time to opt-out of mailings on their profile, including registration and when they receive any third-party mailings from Music Rebellion; however, Music Rebellion reserves the right to cancel the user's membership in the event a member chooses to completely opt-out of all mailings.

③

The internet community is a rapidly changing environment and therefore Music Rebellion may sell or liquidate its assets or its business or may purchase the assets or business of other companies ("business transfers"). In such transactions, user information generally is one of the transferred business assets and therefore Music Rebellion members should be aware that such business transfers may occur.

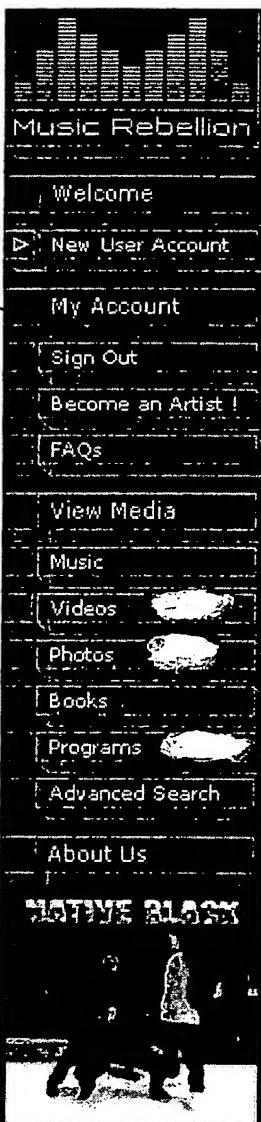

I agree to the above terms.
